Hi Svetle Burr and Desi Burr,

Thank you for your interest in being married at the Washington National Cathedral and congratulations on your engagement!

My name is Ieva Vitola; I work on the team that coordinates weddings here at the Cathedral. I invite you to learn more about the guidelines, requirements, and options for a wedding at the Washington National Cathedral. As such, please review the Cathedral's wedding handbook and the overview of wedding packages (both are attached to this email).

Please note that Cathedral weddings take place on Saturdays with a formal rehearsal the afternoon before the wedding date. Please let me know if you would like for me to provide you with availability!

In addition to the beautiful spaces for wedding ceremonies, the Cathedral also has several spaces perfect for your rehearsal dinner, reception, and post-wedding brunch. The twenty (20) overnight guest rooms at the new Virginia Mae Center can also be reserved as part of your wedding experience at the Cathedral. Please click here to see some beautiful photos of the Virginia Mae Center!

I am here to answer any questions that you may have, and I look forward to hearing from you. Once you have reviewed the handbook and aligned on a date, please connect back with me so that I can place a 30 day hold on your requested date (pending availability) and connect you with our wedding ceremony coordinator for a tour.

Enjoy this special time!
