Cathedral Policies

Clergy Honorarium

It is customary that the officiant receive an honorarium from the couple for services performed; for the sake of convenience to both couple and clergy this honorarium is included in the package fee.

Programs

Couples choosing to produce their own programs do so at their own expense in addition to the fees outlined here. In this event, the approval of worship and music staff is required before printing.

Flowers

Couples may choose to allocate additional funds for flowers. The flower budget included in the package is sufficient for a simple altar arrangement of flowers in season. If elaborate arrangements or arrangements of flowers of a particular color scheme are desired, it is strongly recommended the couple budget accordingly. The Cathedral altar guild is available for consultation in this matter.

Additional services

Any request for musical support such as carillon or bells or liturgical support from acolytes is dependent on the academic schedule of the schools and availability of personnel.

Couples desiring to augment a basic plan by contracting the services of the carillonneur, Washington Ringing Society, or soloists, and those wishing to expand the budget for flowers or leaflets, are invited to contact Espy Crisostomo to discuss this.

Payment Schedule

Please be mindful that prompt payment of fees is vital to the ongoing ministry of Washington National Cathedral.

Couples being married at the Cathedral are required to make a deposit of 50% of the total cost listed on the Fee Schedule at the time of application. This deposit will be credited toward the cost of their wedding. A final invoice will be sent to the couple 45 days prior to the wedding date.

The balance of the wedding costs may be paid in installments; however, the total cost of the wedding is to be paid in full no later than 30 days prior to the ceremony.

In the event that no mutually agreeable date for the ceremony may be found the deposit will be returned.

In the event that the couple cancel the wedding more than 30 days prior to the ceremony, the deposit will be forfeited and all monies paid to date will be refunded. In the event that the couple cancel the wedding less than 30 days prior to the ceremony, all monies paid to date, including the deposit, will be forfeited.
